

PANTHERS PLAY HOST TO MODESTO

* PANTHER SENTINEL

Volume XVIII

Salinas, California, Friday, October 8, 1948

Number 4

Panthers Seek Victory Tonight

Hartnell College Panthers, with fear still in their hearts from last week's circus, play host to an old conference foe, the Modesto Pirates, tonight at 8 o'clock in the Salinas stadium.

The comeback kids cannot expect a recurrence of last

week's first half tonight against the Pirates, and still come out on the long end of the score. The over-confidence so visibly present last Friday should be gone from the Robinett men tonight.

If it isn't, the Panthers can expect a shellacking from the always tough Modesto eleven.

To date, the defending southern division champions have broken even in their tilts against Vallejo and Visalia. After dropping the season opener to the Redskins, 19-6, the Pirates broke into the win column with a 27-0 trouncing of Visalia.

Modesto will be gunning for conference victory number two tonight against the Panthers. The Panthers, in comparison, put an undefeated and untied record on the field tonight and will use every means to keep it intact. Hartnell ran roughshod over an outmanned Bakersfield eleven, 36-6, in the season opener and then followed it up with a hard-won 31-21 decision over the Stockton Cubs last week.

MODESTO WON IN '47

Hartnell will be out to avenge last year's thumping at Modesto. The Pirates came back in that battle, after trailing 14-6 at half-time, to hand the Panthers a 32-14 lacing. Hartnell's hopes are high to reverse last year's outcome tonight.

The Panther eleven enters the fray with a decisive weight advantage over the Pirates. In the line the visitors give 13 pounds to the man; their forward wall averaging a very light 187 pounds to the Hartnell's 200 pounds. In the backfield, the Pirates average 184 to Hartnell's 189.

Under a new coach, Elmer Schaafe of the University of Kansas, the Pirates employ a single wing attack featured by the play of Oris Williams, 215-pound colored halfback sensation. Williams reportedly handles the aerial game for the Pirates. Along with his running, he could be a thorn to a Panther victory.

U.C. FROSH NEXT

In view of the fact that there will be no paper next week because of Columbus Day, fans are reminded that on Saturday, October 16, at Berkeley, the Panthers engage the University of California Frosh in the Memorial

(Continued on Page 2)

Field Day Begins At 2:30 Today

Today at 2:30 starts the annual Field Day and Men's Club activities. Classes will be shortened so that everyone may attend all the activities. At 1:50 the last class is over and as soon as the students have changed to appropriate clothes, the fun will begin.

For the benefit of those who are interested in taking part in the activities, lists will be posted on the main bulletin board to be signed. Women students are urged to participate in all the activities except the tug-of-war, the bag-rush and the football games, for obvious reasons. MEN, please remember this.

The tug-of-war will start the day with the Freshmen trying to pull the mighty Sophomores into the mudhole. The mudhole is in top condition now, because all this week water has been pouring into it, to make sure that all 20 feet of the clay bottom will be plenty slippery. Dirt is gradually being thrown back in so that all the 6-foot depth will be good and gooey. For safety, all men are to wear old shoes.

FOOTBALL, SOFTBALL

Following the mud-brawl, if it is possible, will be a bag-rush. This again involves the freshman and sophomore men, but the object this time is for each team to push, pull, or by another means, move a 100-pound sack of sand to their own goal line. If all goes as expected, this will be held on a muddy field.

After these doings, there will be touch football and softball games. These will be played at approximately the same time. There will be just one game of football, but three games of softball, and girls are invited to play softball. Those who don't make the teams are urged to use their lung power to cheer a team.

With the "major" sports completed, volleyball, basketball, tennis, badminton, horseshoes, and ping-pong will be featured. The

(Continued on Page 2)

FROSH, BEWARE!

A typical scene of the Field Day Activities which begin today at 2:30

Motion Pictures May Be Taken of Football Games

Hartnell College Panthers may have motion pictures taken of all their football games, possibly starting with the game tonight. This was decided at the commission meeting Monday when the members voted to appropriate \$10 to add to Coach Bob Robinett's fund to buy film.

If this experiment with photographing night football games is successful, movies will be taken of all the games hereafter. These movies will be used for publicity as well as for the coach to point out weaknesses to the players. The films would be shown to various clubs and organizations in this area.

HOMECOMING DAY SET

Homecoming Day is to be held on Armistice Day, November 11. The annual affair will start off with a parade down Main Street, Salinas, preceding the game with San Francisco City College at the Salinas Union High School Stadium.

After the game, the alumni will hold a banquet and then a dance is planned. The commission decided to take on the program this year and is delegating various clubs to certain jobs.

ROOTERS' BUS TO CAL GAME

An offer from the Peerless Bus Company to take rooters from here to Berkeley for the Cal Frosh-Hartnell game was announced by Loren Ingols. Each student would be charged \$3.50 for the round trip. The students from here will have a reserved section

(Continued on Page 3)

Election Apathy

AN EDITORIAL

These last two weeks petitions nominating the Sophomore and Freshman class officers were supposed to be circulating among the student body. The latest report from the main office shows that only one petition has been turned in for soph president and one for secretary-treasurer, while the frosh have a petition in for vice-president and two for secretary-treasurer.

Quite a multitude to choose from, isn't it? Guess it is just too much trouble to ask 50 students for their signatures. But, it isn't too much trouble to gripe and kick when things aren't done to please you!

You voters determine the level of government that will prevail, through the person to whom you give the power. Voting is the most effective way of expressing your ideas and personal opinions. You may protest all you like, but a single vote speaks louder than all the oratory in the world.

(Continued on Page 3)

PANTHERS . . .

(Continued From Page 1)

Stadium. The game is the preliminary to the Cal-Oregon State battle and will start at 11 a.m.

Seats in sections F and HH on the west side are for Hartnell rooters. These are 30-yard line seats and tickets may be purchased for \$1 at the stadium. Student-body cards are needed to obtain this half-price rate.

Coffee Tops Cafe Sales

Hartnell students have enormous appetites, says Mrs. Effie Freyer, director of the college cafeteria. And believe it or not, one of the most popular items sold is the coffee. Despite annual fits of griping, the students consume some 320 cups a day.

Breakfast starts out with the early arrivals showing a definite desire for sweets. Some five dozen doughnuts, two dozen maple bars, and five dozen snails are gobbled up along with coffee or fruit juice.

Hot plates, the luncheon favorite, require 30 pounds of meat, Mrs. Freyer says. Also onto the plates go some 18 pounds of potatoes and 20 pounds of vegetables.

A crate of carrots and another crate of celery are consumed daily as students sit around the tables and munch strips of the two vegetables. The vitamin conscious also consume large quantities of milk, 210 half pints being served and some five gallons or more being used in cooking.

Sandwich eaters down 150 cheese and luncheon meat sandwiches each day. Many of these same customers eat part of the daily gallon of soup—and dessert. Again a definite sign of a

Home Ecs To Hold Luncheon

The Home Economics Club's first meeting of the year will be held on Monday, October 11, at 12 noon, in the living room. As the meeting is to be a luncheon, all girls are requested to bring their lunches. Dessert will be served.

All the members of Miss Mildred Novotny's Home Economics classes are expected to belong to this club. Any girls who were in the club last year, and any new students interested in home economics are welcome to attend.

Miss Novotny has made extensive plans for the club which she will discuss at the first meeting.

Landscape Painting Class Attracts 16

With 16 members, the landscape painting class is very large this year. Of the sixteen, eight are regular students, and eight are adults of the community. Mr. Leon Amyx, instructor, reports.

At the present time, they are working with water colors, and will begin using oil paints later in the semester. The class goes into the country every Tuesday and Thursday afternoon, when the weather permits, to paint.

Members of the class are Bob Kensinger, Clotilda Castro, Joyce Anderson, Larry Connor, Elizabeth Holliman, Ted Maddock, Dixie Marshall, Charles Moresi, Lorraine Signoratti, Acey Silliman, Silvia Snider, Roberta Walker, Kay Craig, Irene Breschini, Jacquie Grandin, and Annie Black.

Ski Club to Hold Post-Game Dance

Ski Club president, Nate Williams, presided at the meeting held Wednesday at noon. Chief topic on the agenda was the dance to be sponsored by the club on October 23 following the Sacramento game. This dance promises to be an outstanding event with the club bringing an unusual motif and refreshments.

Proceeds from the dance will help cover the cost of ski trips to be held when the big snows fall in Yosemite or Sequoia this winter.

Williams announced that club dues will be 75 cents. Members who come into the club after the dance is held will have to pay dues for each ensuing semester. He said a large membership will mean more fun on the ski trips.

sweet tooth among the student body enters into the daily dessert purchases. Each day some 32 pies and two cakes disappear in no time at all.

Band Forms Big "H" At Football Game Friday

Forming a big "H" in the center of the field while the rooting section sang the Alma Mater, the Hartnell College marching band made a big impression at Friday night's game with Stockton Junior College.

Starting out with 25 members at its first performance,

the band has grown to a group of 30 and still has room for many more. Their greatly improved performance Friday night is proof of what a few men, a few instruments, and a lot of determination, can accomplish in a short time, says Director Lorell McCann.

Ramona Kilfoyl, Vivian Davenport, and Luisa Francioli did a marvelous job of baton twirling as they and drum major Tommy Miller led the band through their maneuvers.

At the rate of their progress, Mr. McCann is hoping to take the band to perform at the Hartnell-Cal Frosh game at Berkeley in Memorial Stadium.

ple. Gerry Hill's septet will be featured. Cokes will be available for refreshments, and there will be entertainment at the intermission.

With the playing of the last piece at 1 a.m., the Men's Club activities will be complete. With the help of the student body, the most successful Field Day, Men's Club dinner and dance that this school has known will be completed.

FIELD DAY . . .

(Continued From Page 1)

men's gym will be the scene of the basketball and volleyball contests; four teams of volleyball can be handled, and so there should be some good competition.

MINOR SPORTS TOO

About 36 players can try their skill at tennis. If that is too strenuous, badminton will be played in the women's gym. It seems there is room for about 20 players there. There are also two ping-pong tables ready for use. Horseshoe experts will find two pits outside of the men's gym.

After all this action, the appetites should be well suited for the dinner which starts at 5:30, or thereabouts. Some freshmen have been recruited to serve the chili beans, buttered French bread, punch, and ice cream.

WHISKERINO PRIZES

During the dinner the Whiskerino and Ribbonero will be judged. Prizes in the bearded class will be awarded for the most unique beard, the most ragged beard and the nicest looking growth, if there is such a thing. And, of course, the poor fellow who tried, but couldn't even run competition to a peach will not be forgotten. There will be a booby prize.

Ribbons will be judged for the largest, the most unusual, and the prettiest. Mr. G. Darwin Peavy and his tumbling team will entertain the diners, also a jazz band and a skit will be featured.

Right after dinner a rally will be held so that before the game the yells can be practiced, and school spirit will run high. Since Modesto is rated as good, if not even better, than Stockton the boys on the field will be needing plenty of cheering.

DANCE AFTER GAME

After the game will be the Men's Club dance. Larry Connor, president of Men's Club, announced that tickets will be 50 cents stag, and 75 cents a cou-

Rally Committee Abandons Plans

Energetic Pep Girls were voted out of existence at a Rally committee meeting Wednesday. Loren Ingols, chairman of the committee, announced the committee's deepest appreciation of their efforts.

Ingols announced that the price of a round-trip ticket to Berkeley to witness the U.C. Frosh-Hartnell battle will be \$3.50 per person. The game will be played on Saturday, October 16, at 11 o'clock.

WEE GEE

By ANNABELLE

Probably the voice of Wee Gee had little bearing on the situation, but action was taken last Friday to make the rooters' section at the Stockton game a good outfit. Proof is found in the rooters who nearly went wild (losing voices) as the game became more exciting in the fourth quarter.

Hooray for those fellows who managed the crowd of rooters and the ropes. More of the same tonight for Modesto. Make them know we're here and maybe a crowd of 6,000 will attend the game. Deft Definitions . . . Lady: a woman who makes it easy for a man to be a gentleman. Rush hour: When traffic is at a standstill. Minor operation: one performed on somebody else.

Stop the Music—A radio program gaining national importance is "Stop the Music." Very recently a man won \$30,000 in gifts which included a popcorn vending machine. Now a new jackpot has started at \$15,000. From what I hear Walter Winchell is giving clues, too.

Exchange—An open letter to Sally Rand: "Success to you from your many fans."

If you aren't too confused by the schedule of events to be held this afternoon don't forget a big pre-game rally will be held after the Men's Club supper this evening. Don't forget to bring an extra pair of lungs to the men's gym at that time. Bring an extra voice box to that game tonight, too.

It seems that a fellow named C. Columbus discovered America in 1942, or was it 1492. Anyway, through him we now have a school holiday next Tuesday. Here is your chance to sleep till noon or all day. You will be missing an issue of The Panther Sentinel when next Friday rolls around because of old Chris.

Newlyweds Make Home In Salinas

Now, at home are justweds Mr. and Mrs. Ralph Thomsen whose late September wedding in San Francisco surprised many of their friends.

The bride, the former Virginia Brown, was a student here last year, while the groom is president of the Hartnell College Alumni Association, and attended Hartnell during 1941-42.

Jr. Soroptimists Elect President

Connie Olivete was elected president of the Junior Soroptimists at the first club meeting held Wednesday.

Other officers who will be serving this semester with her are Jean Hanson, vice-president; Jane Barrick, secretary; Shiyoko Takatsugi, treasurer; and Carol Stevens, sergeant-at-arms.

This was an organization meeting of the club and each member introduced herself and her interests. The aims of the club were outlined by the advisor, Miss Faith Fraser. The club is still open to interested young women.

The next meeting will be either a joint luncheon with the downtown Soroptimists, or a luncheon held in the home economics living room. At that time, installation of officers will take place. Each Junior Soroptimist is urged to bring a guest to the meeting.

Those girls serving the dessert for the first meeting were Jean Hanson and Della Schmaus.

ELECTIONS . . .

beside the Oregon State rooting section.

SUPREME COURT SESSIONS

Supreme court at Hartnell will not be open for the student body to witness, it was decided, because of the embarrassment it may cause. The supreme court was also given power to investigate all matters that are brought up by petition.

A few beer bottles were found in the stadium after the game with Stockton last Friday but otherwise the students' behavior was altogether creditable, it was reported by the members.

Permission was granted to the comptroller's office to spend \$60 for a check protector which the college has been in need of for a long time. The cafeteria and the bookstore will each put in \$40 toward it.

Nature Boy Misses Bus

By Dick O'Shaughnessy

Frank Quadro, who is one of Mr. Wilbert Robinson's prize student in Nature Study 10A, was a little too eager in his quest for dragon flies last week out at the old Salinas River bridge.

It seems that while he was chasing a rare specimen, studious Frank became separated from the group of naturalists. When the field trip members started to get ready for the trip back to the campus in the school bus, Quadro was still chasing a dragon fly.

When the bus arrived at the college parking lot, someone noticed that Frank was not present. A harried bus driver was dispatched to pick up Frank before he had caught every winged insect in the river area.

In the meantime, Frank, having given up his chase, had returned close enough to the class to see the loaded bus depart. With his collection of bugs in one hand, a butterfly net in the other, and slogging along in hip boots, he managed to reach the highway.

He hailed a passing motorist — who, being a Hartnell graduate, realized Frank was not escaping from anything — and got back to college within a minute or two of the bus. He was just late enough to find out that a rescue party had been dispatched to bring him back — so back he went to the river to notify his rescuers.

Paintings Exhibited At County Fair

Many students from the Hartnell Art Department had their paintings on exhibit at the Monterey County Fair from September 23 to 26. Those students who had exhibits were Joe Bragdon, Laura Abeloe, Steve Pista, Robert Kensinger, Ed Silliman, and Charles Moresi.

Stage Comeback

Panthers Roar, Win 31-21

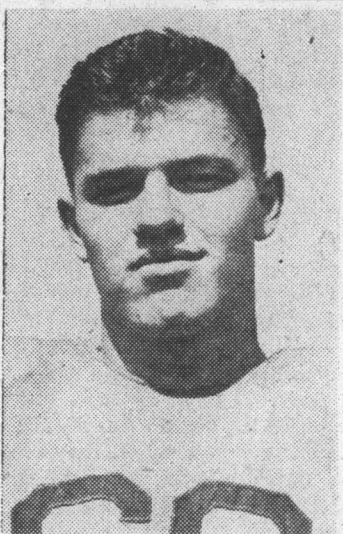

Displaying one of the most brilliant comebacks ever to be witnessed by the 5,000 fans that crowded into the Salinas stadium on Friday night, the Hartnell Panthers politely bowed and watched the Stockton team strike with lightning speed for three fast scores and then roared back to humble the cubs, 31-21.

The Stockton outfit scored twice in the first period and once in the second with Jerry Heath and Ed Macon spearheading the Cub attack. Along with the touchdowns a week-time manager and Friday-night player by the name of Francis Gum had a perfect night with the toe, splitting the uprights on every occasion.

Midway in the second stanza, the Panthers began to march for their lone first-half score. Starting on their own 26-yard stripe, Cordial, Burnett, and Skrine ripped off consistent gains until the ball rested on the 1 and then Brown, on a fourth down and one yard to go, stepped back and pegged one to Doyle Burnett for a Hartnell tally.

As the half ended the Panthers were back knocking on the golden gates but when they failed to punch the score across, the cause for which they were fighting looked lost.

But in the second half, Ed Brown, Hartnell's passing wizard, began flinging aerials from

LEN DIEDERICKS.

every position on the field, and connecting on almost every attempt, until the Panthers found themselves right back in the middle of the fight.

Brown then proceeded to pass for two more touchdowns while "Explosive" Stan Miller bulled across for the other.

The whole line, after being

Modesto Pirates Beat Visalia, 27-0

In the out-of-town game of the week, as far as Hartnell is concerned, the Modesto Pirates defeated Visalia, 27 to 0.

Other games throughout the week ended as follows: San Diego copped a close one from the Bakersfield eleven which showed little polish against Hartnell in

pushed all over the field in the first quarter, played like the "Seven Blocks of Granite" for the rest of the contest to aid the ball packers in their push to victory.

Jim "Hicks" Cordial, Montana flash, took a Stockton kick-off and scampered 60 yards before being tackled only to have his dazzling run nullified by a clipping penalty on one of the Hartnell team.

—Photo by Marvin Smoot

Playboys

Profs Challenge Pupils

With our football team going red hot, it seems that we have some persons in the school that are trying to take the limelight away from these boys with their volleyball playing. This is a letter addressed to the men's representative as a challenge to the athletes of the school.

Attention of the Men's Representative,

Associated Students,
Hartnell College
Sir:

The Hartnell faculty volleyball enthusiasts cordially invite a student team to engage with them in a ball-slapping tussle. That is to say, the instructors will slap the ball for decisive points, while their young adversaries, more accustomed to playing with toy balloons, will slap the air, the net, and their comrades. Your representative and Mr. Emil Ramos of the faculty will negotiate as to time and place for the un-

their first encounter, 14-13. San Francisco ran all over Vallejo 18 to 0, while Monterey and Yuba battled to a 6-to-6 tie.

Marin College couldn't seem to catch the boys from Menlo, losing 22 to 0, and the Napa gridsters were six points shy of Sacramento's 13-to-7 final.

even contest, sure to end only in tearful frustration for the younger set.

Sympathetically yours,
HARTNELL COLLEGE
